

The Sensory Pod

a safe space for you

thesensorypod.ie

The Sensory Pod is a futuristic calming space for the School, College or home environment. This calming space measures 8ft long by 4ft wide and is full of amazing features as standard.

- ✔ 5 Colour Adjustable LED Ambient Mood Lighting
- ✔ Self-adjusting Temperature
- ✔ App Accessible Screen for Entertainment and Learning
- ✔ Luxury and Comfort for Relaxation, Rest and Sleep
- ✔ Inbuilt HD Bluetooth Speakers
- ✔ Highest Safety Standard
- ✔ Full Training Provided
- ✔ Interior Sensory Customisation

- > CALMING EFFECT ON USERS
- > AUTISM FRIENDLY
- > NO STRESS FOR CARER / PARENT / TEACHER
- > PROFESSIONAL, QUICK INSTALLATION
- > SAFE & COMFORTABLE ENVIRONMENT
- > APP/WIFI ACCESSIBLE

The Sensory Pod has a mood light ceiling which is calming and relaxing. It can be changed instantly to the favoured colour. The space is fun, relaxing and appealing to any child, or adult, to spend any length of time. It is already being used successfully in Special Needs environments and Universities, seeking an Autism Friendly Environment.

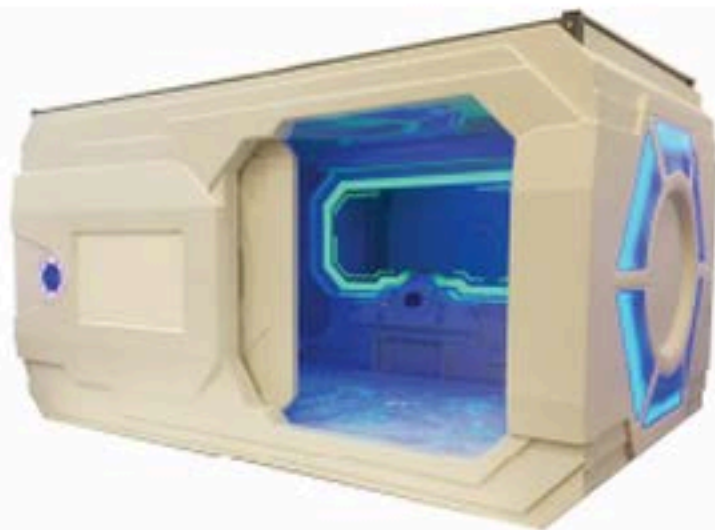

THE SENSORY POD IS NOW ENDORSED
